

BEACHBODY®

## Sculpting Band

### Care and Safety

1. Inspect your band for tears or nicks prior to each use.
2. Avoid exposing the band to abrasive or sharp objects or surfaces.
3. Avoid exposure to heat or excessive sunlight.
4. Periodically dust the band with talcum powder for best results.
5. Store in a cool, dry place.

### Caution

Made with Natural Rubber Latex (NRL), which may cause minor to life-threatening allergic reactions. Minor symptoms include hives or nasal congestion. Severe reactions may result in anaphylaxis, a dangerous systemic reaction that causes a drop in blood pressure; difficulty breathing; swelling of the throat, tongue, and nose; and even loss of consciousness, and could be life threatening if left unattended. Emergency medical attention is needed at the first sign of anaphylactic reaction.
